WHO WE ARE:

The Northern Frontier Visitors Association is comprised of like minded people who have a vested interest in the tourism industry. In 1983, the association was incorporated as a non-profit organization. Since our inception, we have grown to assist in the development of tourism in the North and maintain a proactive approach to tourism related issues that will help keep our industry vibrant. In 2008, we celebrated our 25th anniversary as an association.

OUR MISSION: The NFVA is dedicated to promoting and maintaining tourism in the North Slave Region.

Learn More about Diamonds - Visit the New Diamond Tourism Display at the Northern Frontier Visitors Centre

In 2008, the NFVA opened the new Diamond Tourism Display Project in the visitor centre. The new interpretative displays will help educate travelers, and local residents about the NWT diamond industry, the magical aurora borealis, aboriginal history and culture in the NWT, and regional visitation opportunities across the Territory.

The Diamond Tourism Display is also complimented by diamond cutting and polishing sessions throughout the year (Contact the visitor centre for dates and times)

KIMBERLITE WALL - NORTHERN FRONTIER VISITORS CENTRE

The NFVC Diamond Tourism Display Project would not have been possible without the funding support of the following organizations: Canada - Department of Indian and Northern Affairs, City of Yellowknife, Government of the Northwest Territories, BHP Billiton - Ekati Diamond Mine, Rio Tinto - Diavik Diamond Mine, DeBeers Canada, Arslanian Cutting Works, Laurelton Diamonds, Kellett Communications, and Air Tindi,
